CERTIFIED

Central States Can Co.
P.O. Box 642
Massillon, Ohio 44646

ATTENTION: Dave Blizzard

Dear Sir:

Enclosed is an order modifying the permits to operate, or variance to operate, identified therein.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Board of Review pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. It must be filed with the Environmental Board of Review within thirty (30) days after notice of the Director's action. A copy of the appeal must be served on the Director of the Ohio Environmental Protection Agency and the Environmental Law Division of the Office of the Attorney General within three (3) days of filing with the Board. An appeal may be filed with the Environmental Board of Review at the following address: Environmental Board of review, 250 East Town Street, Room 101, Columbus, Ohio 43215.

If you have any questions regarding this action, please contact the agency to which you submitted your original application.

Very truly yours,

Thomas G. Rigo

APPLICATION NUMBER: 15 76 13 0634 K003

FACILITY NAME: Central States Can Company

EQUIPMENT DESCRIPTION: Can Coating Line (C-01)

COMPANY ID: Litho Coater w/ 126' DEF

SPECIAL TERMS AND CONDITIONS

1. The following rules of the Ohio Administrative Code establish the applicable emission limitations and/or control requirements of this source:

   3745-21-09 (D)

   (This condition in no way limits the applicability of other requirements of the Ohio Administrative Code to this source.)

2. Record-keeping and reporting requirements for surface coating lines: This facility shall maintain monthly records which list the following information for each surface coating or ink employed in this source.

   (a) the company identification of the surface coating;

   (b) the number of gallons employed;

   (c) the VOC content, in pounds of VOC per gallon of coating;

   (d) the VOC content, in pounds of VOC per gallon of coating; minus water;

   (e) the water content, in percent by volume; and

   (f) the nonvolatile (solids) content, in percent by volume.

   These monthly records, as well as any supporting coating or ink analyses and computations, shall be retained in the company's files for a period of not less than two years and shall be made available to the Director or any authorized representative of the Director for review during normal business hours.

(CONTINUED)

This facility shall submit semi-annual reports to the Canton City Air Pollution Control Division, City Hall Bldg., 218 Cleveland Ave., S.W., Canton, Ohio 44702, Phone (216) 489-3385, which summarize the following information for each coating employed in this source during the previous six calendar months: coating identification of the surface coating, the total number of gallons employed, the VOC content (in pounds VOC per gallon of coating, minus water), the water content and the nonvolatile (solids) content. The reports shall be submitted by February 15 and August 15 of each year and shall cover the previous six calendar months (July through December and January through June, respectively).
