CERTIFIED MAIL

December 15, 1989

Dear Sir or Madam:

Enclosed are Permit(s) to Operate which allow you to operate the described air contaminant source(s) in the manner indicated in the permit(s). Because these permits contain several conditions and restrictions, I urge you to read them carefully.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Board of Review pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. It must be filed with the Environmental Board of Review within thirty (30) days after notice of the Director's action. A copy of the appeal must be served on the Director of the Ohio Environmental Law Division of the Office of the Attorney General within three (3) days of filing with the board. An appeal may be filed with the Environmental Board of Review at the following address:

Environmental Board of Review
236 East Town Street
Room 300
Columbus, Ohio 43215

If you have any questions, please contact the air pollution control agency to which you submitted your application.

Very truly yours,

Thomas G. Rigo

PERMIT TO OPERATE AN AIR CONTAMINANT SOURCE

Date of Issuance 12/15/89

Application No. 1318103398P001

Effective Date 12/15/89

Permit Fee $100

This document constitutes issuance to:

ELECTROPLATING CORP.
1325 EAST 152ND ST.
EAST CLEVELAND OHIO 44112

of a permit to operate for:

CHROMIUM ELECTRO PLATING PROCESS WITH SCRUBBER
TANK NO. 1, 2 AND 3

The following terms and conditions are hereby expressly incorporated into this permit to operate:

1. This permit to operate shall be effective until 12/14/92
   You will be contacted approximately six months prior to this date regarding the renewal of this permit. If you are not contacted, please write to the appropriate Ohio EPA field office.
2. The above-described source is and shall remain in full compliance with all applicable State and federal laws and regulations and the terms and conditions of this permit.
3. Prior to any modification of this source, as defined in rule 3745-31-01 of the Ohio Administrative Code (OAC), a permit to install must be granted by the Ohio EPA pursuant to OAC Chapter 3745-31.
4. The Director of the Ohio EPA or an authorized representative may, subject to the safety requirements of the permit holder, enter upon the premises of this source at any reasonable time for purposes of making inspections, conducting tests, examining records or reports pertaining to any emission of air contaminants, and determining compliance with any applicable State and federal air pollution laws and regulations and the terms and conditions of this permit.
5. A permit fee in the amount specified above must be remitted within 15 days from the issuance date of this permit.
6. Any transferee of this permit shall assume the responsibilities of the prior permit holder. The appropriate Ohio EPA field office must be notified in writing of any transfer of this permit.
7. This source and any associated air pollution control system(s) shall be maintained regularly in accordance with good engineering practices in order to minimize air contaminant emissions. Any malfunction of this source or any associated air pollution control system(s) shall be reported immediately to the appropriate Ohio EPA field office in accordance with OAC rule 3745-15-06. Except as provided in that rule, any scheduled maintenance or malfunction necessitating the shutdown or bypassing of any air pollution control system(s) shall be accompanied by the shutdown of this source.
8. Any unauthorized or emergency release of an air contaminant from this source which, due to the toxic or hazardous nature of the material, may pose a threat to public health, or otherwise endanger the safety or welfare of the public, shall be reported immediately to the appropriate Ohio EPA field office (during normal business hours) or to the Ohio EPA's Emergency Response Group (1-800-282-9378). (Additional reporting may be required pursuant to the federal Comprehensive Environmental Response, Compensation, and Liability Act.)
9. The appropriate Ohio EPA field office is:
   BUREAU OF ENGINEERING SERVICES
   DIV. OF AIR POLLUTION CONTROL 9127 MILES AVE.
   CLEVELAND, OH 44105 (216) 441-7400
10. ☒ If this term and condition is checked, the permit holder is subject to the attached special terms and conditions.

DEC 15 1989

EPA-3834
REVISED 1-87

APPLICATION NUMBER: 13-18-18-3358 P001

FACILITY NAME: Electrolizing Corporation

EQUIPMENT DISCRIPTION: Chromium Electroplating Line with Scrubber

COMPANY ID: Tank Numbers 1, 2, and 3 and Scrubber

SPECIAL TERMS AND CONDITIONS

A. This Permit to Operate covers the operation of the Chromium Electroplating Line which consists of tank numbers 1, 2, and 3 and a Heil Fume Scrubber. This operation is subject to compliance with OAC Rules 3745-15-07, 3745-17-07, and 3745-17-11, which allow an emission rate of 1.0 pound per hour and no emissions which create a public nuisance.

B. The applicant shall operate the electroplating equipment and the scrubber involved according to their respective manufacturer's operation instructions in order to minimize particulate emissions. In addition, the company shall set up and follow an inspection, maintenance, and repair program on the air pollution control equipment used in this process. The company shall keep records of all such inspections and repairs, and these records shall be made available to this agency upon request.

C. All malfunctions are to be reported immediately by phone and by certified mail no later than five days after the malfunction to the Cleveland Division of Air Pollution Control.

D. The applicant shall comply with any applicable local, state or federal requirements governing the storage, treatment, transport and disposal of any waste material generated by the operation of this source.
