State of Ohio Environmental Protection Agency

01

Permit to Operate an Air Contaminant Source
Terms and Conditions

Date of Issuance 04/11/80

Application Number 15760511796001

Effective Date 04/11/80

Permit Fee $110

This document constitutes issuance to: MARATHON OIL COMPANY
3812 CLEVELAND AVE & 38TH
CANTON OHIO 44709

of a permit to operate:
1-GDF OVER 240,000 GAL. NOT IN COMPLIANCE
GASOLINE DISPENSING FACILITIES

The following terms and conditions are hereby expressly incorporated into this permit to operate:

Condition 1

The above described air contaminant source is now operating, and over the period covered by the permit will be operated, in full compliance with all applicable state and federal laws and regulations.

Condition 2

Prior to any physical change in, or change in the method of operation of, this air contaminant source which increases the amount of any air pollutant emitted, or results in the emission of any air pollutant not previously emitted, a permit to install must be granted by the Ohio Environmental Protection Agency (See Chapter 3745-31 of the Ohio Administrative Code).

Condition 3

The Director of the Ohio Environmental Protection Agency, or his authorized representative, may enter upon the premises of the source operation at any reasonable time and subject to safety requirements of the person in control of the premises for the purpose of making inspections, conducting tests, examining records or reports pertaining to any emission of air contaminants and determining compliance with all applicable State and Federal air pollution laws and regulations and the terms and conditions of this permit.

Condition 4 (This condition applicable if checked: ☐)

Upon declaration of an Air Pollution Alert, Warning or Emergency Episode this air contaminant source will follow those emission reduction procedures enumerated in the Emergency Action Plan approved by the Director for this source.

Condition 5

This permit to operate shall be effective until 04/11/83. You will be contacted approximately six months prior to this date regarding the renewal of this permit. If you are not contacted, please write to this agency.

Condition 6

A permit fee in the amount specified above must be remitted within fifteen (15) days of the effective date of this permit.

Condition 7

Any transferee of this permit shall, personally, assume the responsibilities of the original permit holder-transferor. The Ohio EPA must be notified in writing of any transfer of this permit.

Condition 8 (This condition is applicable if checked: ☒)

This permit is subject to the supplementary conditions attached.

-COMPLIANCE TIME SCHEDULE-

SPECIAL TERMS & CONDITIONS

The following COMPLIANCE TIME SCHEDULE is a part of the application for (describe source equipment): Gasoline Dispensing Facility.

Located at the (indicate complete facility name(s) and address(es)):

All Sources identified in the Permit to Operate for Stark County.

Indicated below are the steps, or milestones, which will be taken by the above air contaminant source(s) and the time required to complete each step as well as the time required for the total program. This time schedule which will become a condition of the permit to operate/variance upon approval, is designed to achieve compliance with the following rules of the Ohio Administrative Code: 3745-21-04 (C) (19) and 3745-21-09 (B).

A written report which indicates your progress in completing the required milestone is to be forwarded to the appropriate District Office or Local Air Pollution Control Agency of the Ohio EPA no later than two (2) weeks after each milestone date.

		MILESTONE DATES
1.	Submit final control plan by	March 1, 1980
2.	Award Contracts for emission control systems or process modifications; or, issue orders for the purchase of component parts to accomplish emission control or process modification by	August 1, 1980
3.	Initiate on-site construction or installation of emission control equipment or process change by	February 1, 1981
4.	Complete on-site construction or installation of emission control equipment or process change by	May 1, 1981
5.	Achieve final compliance by	July 1, 1981

Note: If there are other steps which are important to the control plan, include them on a separate sheet of paper.

Describe briefly the complete control plan or strategy:

Installation of Vapor Control System.

Completed by R.E. Shoupe Date December 19, 1979

APPLICATION NO. 1576051179 G001
