Date of Issuance 12/12/74Effective Date 01/27/75Application No. 1576000378N001This document is issued to: **JONES & LAUGHLIN STEEL CORP**
CANTON LOUISVILLE RD
LOUISVILLE

OHIO 44641

and constitutes a variance to operate:

PLIBRICO CO. AGF-115 INCIN. I
INCINERATOR.

This variance authorizes the above-described air contaminant source to operate in violation of the regulation(s) specified in the compliance time schedule of the Ohio Environmental Protection Agency. This variance is issued subject to the applicant's affirmation that the applicant will bring said source into compliance with all State and Federal air pollution laws and regulations in accordance with the compliance time schedule, which is an integral part of this variance.

The issuance of this variance does not constitute certification by the Director or the State of Ohio that, if implemented in accordance with the compliance schedule, the control strategy described therein will bring this air contaminant source into compliance with applicable State and Federal air pollution laws and regulations, including emission standards.

This variance authorizes the above-described air contaminant source to operate in violation only of those regulations specifically enumerated in this variance. Possession of this variance shall not relieve the above-described air contaminant source from the duty to continuously comply with all other applicable State and Federal air pollution laws and regulations.

The following terms and conditions are hereby expressly incorporated into this variance:

Condition No. 1

This variance shall expire on 04/01/75. This variance is renewable subject to the requirements of Regulation AP-9-04(f) of the Ohio Environmental Protection Agency, but shall not be renewed if any of its terms and conditions are violated during its effective period. If the attached compliance schedule extends beyond the date indicated above, and unless the Director is notified to the contrary, this variance will be automatically considered for renewal sixty (60) days before this expiration date.

Condition No. 2

A permit fee in the amount of \$ 75 is remitted within fifteen (15) days of the effective date of this variance.

Condition No. 3 (This condition is applicable if checked:)

Upon declaration of an Air Pollution Alert, Warning or Emergency Episode this air contaminant source will follow those emission reduction procedures enumerated in the Emergency Action Plan approved by the Director for this source.
