Dear Sir or Madam:

Enclosed is an order modifying the permit to operate, or variance to operate, identified therein.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Board of Review pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. It must be filed with the Environmental Board of Review within thirty (30) days after notice of the Director's action. A copy of the appeal must be served on the Director of the Ohio Environmental Protection Agency and the Environmental Law Division of the Office of the Attorney General within three (3) days of filing with the Board. An appeal may be filed with the Environmental Board of Review at the following address:

Environmental Board of Review
250 East Town Street, Room 101
Columbus, Ohio 43215

If you have any questions regarding this action, please contact the agency to which you submitted your original application.

Very truly yours,

Patricia P. Walling

Patricia P. Walling, Chief
Div. of Authorization & Compliance
Office of Air Pollution Control

EPA 3800

ORDER ADDING A COMPLIANCE TIME SCHEDULE TO A PERMIT TO OPERATE

Date of Issuance: 04/14/82 Effective Date: 04/14/82

Company Name: Pastores Dry Cleaners & Coin Laundry

Company Address: 526 S. Prospect Street, Hartville, Ohio 44632

Application Number of the Permit to Operate being modified:
1576081255 D001

Description of Equipment: Detrex - 570 Dry Cleaner

Equipment ID: Dry Cleaner - Over 60 M Lbs

Whereas, The source owner has been issued the Permit to Operate indicated above by the Ohio Environmental Protection Agency, hereinafter referred to as the Agency,

Whereas, The Agency has determined, for the reasons stated below, that a compliance time schedule should be added to the aforementioned Permit to Operate,

Therefore, The above-referenced Permit to Operate is hereby modified to include the compliance time schedule attached to this order.

Reasons for Modification:

Compliance time schedule was incorrectly omitted from permit when issued.

Director

Ohio Environmental Protection Agency
361 East Broad Street
P.O. Box 1049
Columbus, Ohio 43215

-COMPLIANCE TIME SCHEDULE-

APPL. NO. 15 76 08 1255 D001

The following COMPLIANCE TIME SCHEDULE is a part of the application for (description of source equipment):

PERMAC ACTIVA

Location:

526 S. PROSPECT ST., HARTVILLE, OHIO 44632

Indicated below are the incremental steps, or milestones, which will be taken by the air contaminant source described above and the time required to complete each step as well as the time required for the total program. This time schedule is a part of the terms and conditions of the Permit to Operate or Variance for this source and is designed to achieve compliance with either 1) the following rules of the Ohio Administrative Code: 3745-21-09 (AA)(1)(a)(i) or 2) the emission limits or requirements established in the Special Terms and Conditions of the variance for this source.

A written report which indicates your progress in completing the required milestone is to be forwarded to the appropriate District Office or Local Air Pollution Control Agency of the Ohio EPA no later than two (2) weeks after each milestone date.

	MILESTONE DATES
1. Submit final control plan by	<u>Completed</u>
2. Award contracts for emission control systems or process modifications; or, issue orders for the purchase of component parts to accomplish emission control or process modification by	<u>10-1-81</u>
3. Initiate on-site construction or installation of emission control equipment or process change by	<u>4-1-82</u>
4. Complete on-site construction or installation of emission control equipment or process change by	<u>10-1-82</u>
5. Achieve final compliance by	<u>12-31-82</u>

Note: If additional milestones are important to the control plan, they may be included on a separate sheet of paper.

Brief description of the complete control plan or strategy:

A carbon adsorption unit will be installed by 12-31-82 to fulfill the requirements of OAC Rule 3745-21-09 and OAC Rule 3745-21-04(B).

Completed by ANDY PASKO Date 3/24/82
