CERTIFIED MAIL

Gentlemen:

Enclosed is the Ohio EPA Permit To Install which will allow you to install the described source in the manner indicated in the permit. Because this permit contains several conditions and restrictions, I urge you to read it carefully.

As indicated on the permit, you are required to pay a permit fee as provided for by Rule 3745-45-02 of the Ohio Administrative Code (former Ohio EPA Rule EP-39-02). The exact amount of this fee is indicated on page 1 of the Permit To Install. This amount must be remitted within fifteen (15) days of the effective date of the Permit To Install. Checks should be made payable to: Treasurer, State of Ohio and sent to Permits Bookkeeper, Division of Air Permits and Compliance Monitoring, 361 East Broad Street, Columbus, Ohio 43215.

Under OAC 3745-45 (former EP-39-05) no fee may be charged:

The State or any political subdivision thereof, including educational or medical facilities owned by the State or a political subdivision.

Any person exempted from taxation by Section 5709.07 or Section 5709.12 of the Ohio Revised Code.

If you qualify for a permit fee exemption as stated above, return the enclosed fee statement with written attestation of such exemption, using the enclosed envelope.

Under Ohio Revised Code, Chapters 119 and 3704, this permit will take effect on the date indicated unless you or an objector requests an adjudication hearing within thirty (30) days of the date of issuance, as provided for by Rule 3745-47-13 of the Ohio Administrative Code (former Ohio EPA Rule EP-40-13). At an adjudication hearing you may appear in person, or be represented by your attorney, or by such other representative as is permitted

OHIO ENVIRONMENTAL PROTECTION AGENCY

Permit To Install

Application No. 04-112

Applicants Name: Standard Oil Company (Ohio) Permit Fee: \$65.00  
Toledo Refinery

Address: Cedar Point Road

City: Oregon State: Ohio 43616

Telephone: (419) 243-8167

Description of Proposed Source: Storage Tank, Fixed Roof, Shale Oil -  
FCC Feed 150,000 Barrel

Issuance Date: April 24, 1978

Effective Date: June 8, 1978

The above named entity is hereby granted a permit to install for the above described source pursuant to Chapter 3745-31 of the Ohio Administrative Code (former Ohio EPA Regulation EP-30). Issuance of this permit does not constitute expressed or implied approval or agreement that, if constructed or modified in accordance with the plans included in the application, the above described source of environmental pollutants will operate in compliance with applicable State and Federal laws and regulations, and does not constitute expressed or implied assurance that if constructed or modified in accordance with those plans and specifications, the above described source of pollutants will be granted the necessary operating permits. This permit is granted subject to the following conditions attached hereto:

Ohio Environmental Protection Agency

by Ned F. Williams, P.E.  
Director  
361 East Broad Street  
Columbus, Ohio 43215

Standard Oil Company (Ohio)

April 24, 1978

Page 2

Substantial construction for installation must take place within eighteen months of the effective date of this permit. This deadline may be extended by up to twelve months, if application is made to the Director no less than sixty days before the expiration of this permit and the party shows good cause for any such extension.

The proposed source shall be constructed in strict accordance with the plans and application submitted for this permit to the Director of the Ohio Environmental Protection Agency. There may be no deviation from the approved plans without the express, written approval of the agency. Any deviations from the approved plans or the above conditions may lead to such sanctions and penalties as provided under Ohio law. Approval of these plans does not constitute an assurance that the proposed facilities will operate in compliance with all Ohio laws and regulations. Additional facilities shall be installed upon orders of the Ohio Environmental Protection Agency if the proposed sources are inadequate or cannot meet applicable standards.

The Director of the Ohio Environmental Protection Agency, or his authorized representatives, may enter upon the premises of the above named applicant during construction and operation at any reasonable time for the purpose of making inspections, conducting tests, examining records or reports pertaining to the construction, modification or installation of the above described source of environmental pollutants.

Unless exempt, a permit fee as specified above must be remitted within 15 days of the effective date of this permit to install, to the Treasurer, State of Ohio.

The Toledo Pollution Control Agency shall be notified, in writing as to (a) the construction starting date (b) the construction completion date and (c) the date the facilities were placed into operation.
