Dear Sir:

Enclosed is the Ohio EPA Permit To Install which will allow you to install the described source in the manner indicated in the permit. Because this permit contains several conditions and restrictions, I urge you to read it carefully.

As indicated on the permit, you are required to pay a permit fee as provided for by Rule 3745-45-02 of the Ohio Administrative Code (former Ohio EPA Rule EP-39-02). The exact amount of this fee is indicated on page 1 of the Permit To Install. This amount must be remitted within fifteen (15) days of the effective date of the Permit To Install. Checks should be made payable to: Treasurer, State of Ohio and sent to Permits Bookkeeper, Division of Air Permits and Compliance Monitoring, 361 East Broad Street, Columbus, Ohio 43215.

Under OAC 3745-45 (former EP-39-05) no fee may be charged:

The State or any political subdivision thereof, including educational or medical facilities owned by the State or a political subdivision.

Any person exempted from taxation by Section 5709.07 or Section 5709.12 of the Ohio Revised Code.

If you qualify for a permit fee exemption as stated above, return the enclosed fee statement with written attestation of such exemption, using the enclosed envelope.

Under Ohio Revised Code, Chapters 119 and 3704, this permit will take effect on the date indicated unless you or an objector requests an adjudication hearing within thirty (30) days of the date of issuance, as provided for by Rule 3745-47-13 of the Ohio Administrative Code (former Ohio EPA Rule EP-40-13). At an adjudication hearing you may appear in person, or be represented by your attorney, or by such other representative as is permitted

to practice before this agency, or you may present your position, arguments, or contentions in writing. At the hearing you may present evidence and examine witnesses appearing for and against you. Requests for hearing shall be in writing and shall specify the issues of fact and law to be contested. Requests for hearing should be sent to the Hearing Clerk, Box 1049, 361 East Broad Street, Columbus, Ohio 43215.

The Director may withdraw this permit at any time before it takes effect.

If you have any questions, please contact the Ohio EPA District Office or local air pollution control agency to which you submitted your application.

Very truly yours,

Thomas E. Crepeau, Chief
Division of Authorization and Compliance

Permit To Install

Application No. 04-131

Applicant's Name: Standard Oil Company (Ohio)
Toledo Refinery

Permit Fee: \$65.00

Address: Cedar Point Road

City: Oregon

State: Ohio 43612

Telephone: (419) 729-0771

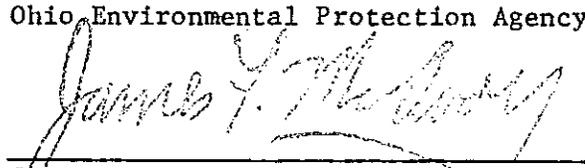

Description of Proposed Source: 60,000 Barrel Storage Tank, Primary and
Secondary Seals, Gasoline

Issuance Date: May 4, 1979

Effective Date: June 18, 1979

The above named entity is hereby granted a permit to install for the above described source pursuant to Chapter 3745-31 of the Ohio Administrative Code (former Ohio EPA Regulation EP-30). Issuance of this permit does not constitute expressed or implied approval or agreement that, if constructed or modified in accordance with the plans included in the application, the above described source of environmental pollutants will operate in compliance with applicable State and Federal laws and regulations, and does not constitute expressed or implied assurance that if constructed or modified in accordance with those plans and specifications, the above described source of pollutants will be granted the necessary operating permits. This permit is granted subject to the following conditions attached hereto:

Ohio Environmental Protection Agency

Substantial construction or installation must take place within eighteen months of the effective date of this permit. This deadline may be extended by up to twelve months, if application is made to the Director no less than sixty days before the expiration of this permit and the party shows good cause for any such extension.

The Director of the Ohio Environmental Protection Agency, or his authorized representatives, may enter upon the premises of the above named applicant during construction and operation at any reasonable time for the purpose of making inspections, conducting tests, examining records or reports pertaining to the construction, modification or installation of the above described source of environmental pollutants.

The proposed source shall be constructed in strict accordance with the plans and application submitted for this permit to the Director of the Ohio Environmental Protection Agency. There may be no deviation from the approved plans without the express, written approval of the agency. Any deviations from the approved plans or the above conditions may lead to such sanctions and penalties as provided under Ohio law. Approval of these plans does not constitute an assurance that the proposed facilities will operate in compliance with all Ohio laws and regulations. Additional facilities shall be installed upon orders of the Ohio Environmental Protection Agency if the proposed sources are inadequate or cannot meet applicable standards.

The specified permit fee must be remitted within 15 days of the effective date of this permit to install.

The appropriate District Office of the Ohio EPA or Local Air Pollution Control Agency shall be notified, in writing as to (a) the construction starting date (b) the construction completion date and (c) the date the facilities were placed into operation.

Tank throughput shall not exceed the quantity specified as the annual throughput on the application.
