

Permit to Operate an Air Contaminant Source

Terms and Conditions

Date of Issuance 02/13/76

Application Number 15760106848001

Effective Date 03/29/76

Permit Fee \$ 50

This document constitutes issuance to: **ALLIANCE RUBBER CO.,**
633 N. UNION
ALLIANCE

OHIO 44601

of a permit to operate:
HAND FIRED COAL BOILER
BOILER NO. 1

The following terms and conditions are hereby expressly incorporated into this permit to operate:

Condition 1

The above described air contaminant source is now operating, and over the period covered by the permit will be operated, in full compliance with all applicable state and federal laws and regulations.

Condition 2

Prior to any physical change in, or change in the method of operation of, this air contaminant source which increases the amount of any air pollutant emitted, or results in the emission of any air pollutant not previously emitted, a permit to install must be granted by the Ohio Environmental Protection Agency (See Chapter EP-30 of the regulations).

Condition 3

The Director of the Ohio Environmental Protection Agency, or his authorized representative, may enter upon the premises of the source operation at any reasonable time and subject to safety requirements of the person in control of the premises for the purpose of making inspections, conducting tests, examining records or reports pertaining to any emission of air contaminants and determining compliance with all applicable State and Federal air pollution laws and regulations and the terms and conditions of this permit.

Condition 4 (This condition applicable if checked:)

Upon declaration of an Air Pollution Alert, Warning or Emergency Episode this air contaminant source will follow those emission reduction procedures enumerated in the Emergency Action Plan approved by the Director for this source.

Condition 5

This permit to operate shall be effective until 03/28/79. You will be contacted approximately four months prior to this date regarding the renewal of this permit. If you are not contacted, please write to this agency.

Condition 6

A permit fee in the amount specified above must be remitted within fifteen (15) days of the effective date of this permit.

Condition 7

The Director must be notified in writing prior to any transfer of a permit to operate. Such transfer shall not take place without the written permission of the Director.

Condition 8 (This condition is applicable if checked:)

This permit is subject to the supplementary conditions attached.

OHIO ENVIRONMENTAL PROTECTION AGENCY

Director

2046

SPECIAL TERMS AND CONDITIONS

1. Application Number: 1576010684 B001
2. Facility Name: Alliance Rubber Company
3. Equipment Description: Hand Fired Coal Boiler
4. Special Terms and Conditions:
 1. The permit holder shall operate the referenced source and associated control equipment in accordance with manufacturer's recommendations and instruction, including start up and shut down, maintenance procedure, inspection and repair. The permit holder shall keep records of such inspections and repairs and make such records available to the local air pollution control agency upon request.
 2. The above described equipment shall be operated and maintained at optimum efficiency.
 3. Equipment for monitoring visible emissions shall be installed on the above described equipment. Such monitoring equipment shall be operated continuously during working hours. The permit holder shall keep records of emissions and shall make such records available to the local air pollution control agency upon request.
 4. The permit holder shall submit to the local air pollution control agency a quarterly report containing a proximate analysis of the fuel being used in the above described equipment.
 5. Violation of AP-3-07, visibles, by the above described equipment or an average one hour opacity of greater than 6.5% may result in revocation of the Permit to Operate.
