Gentlemen:

Enclosed is the Ohio EPA Permit To Install which will allow you to install the described source in the manner indicated in the permit. Because this permit contains several conditions and restrictions, I urge you to read it carefully.

As indicated on the permit, you are required to pay a permit fee as provided for by Rule 3745-45-02 of the Ohio Administrative Code (former Ohio EPA Rule EP-39-02). The exact amount of this fee is indicated on page 1 of the Permit To Install. This amount must be remitted within fifteen (15) days of the effective date of the Permit To Install. Checks should be made payable to: Treasurer, State of Ohio and sent to Permits Bookkeeper, Division of Air Permits and Compliance Monitoring, 361 East Broad Street, Columbus, Ohio 43215.

Under OAC 3745-45 (former EP-39-05) no fee may be charged:

The State or any political subdivision thereof, including educational or medical facilities owned by the State or a political subdivision.
Any person exempted from taxation by Section 5709.07 or Section 5709.12 of the Ohio Revised Code.

If you qualify for a permit fee exemption as stated above, return the enclosed fee statement with written attestation of such exemption, using the enclosed envelope.

Under Ohio Revised Code, Chapters 119 and 3704, this permit will take effect on the date indicated unless you or an objector requests an adjudication hearing within thirty (30) days of the date of issuance, as provided for by Rule 3745-47-13 of the Ohio Administrative Code (former Ohio EPA Rule EP-40-13). At an adjudication hearing you may appear in person, or be represented by your attorney, or by such other representative as is permitted

OHIO ENVIRONMENTAL PROTECTION AGENCY

Permit To Install

Application No. 06-484

Applicant's Name: Ashland Petroleum Company Permit Fee: \$65.00

Address: County Road No. 7 at Moore's Junction

City: Marietta

State: Ohio 45750

Telephone: (606) 329-3333

Description of Proposed Source: 33,000 Barrel Gasoline Storage Tank

Issuance Date: March 26, 1979

Effective Date: May 10, 1979

The above named entity is hereby granted a permit to install for the above described source pursuant to Chapter 3745-31 of the Ohio Administrative Code (former Ohio EPA Regulation EP-30). Issuance of this permit does not constitute expressed or implied approval or agreement that, if constructed or modified in accordance with the plans included in the application, the above described source of environmental pollutants will operate in compliance with applicable State and Federal laws and regulations, and does not constitute expressed or implied assurance that if constructed or modified in accordance with those plans and specifications, the above described source of pollutants will be granted the necessary operating permits. This permit is granted subject to the following conditions attached hereto:

Ohio Environmental Protection Agency

by James F. McAvoy
Director
361 East Broad Street
Columbus, Ohio 43215

Substantial construction or installation must take place within eighteen months of the effective date of this permit. This deadline may be extended by up to twelve months, if application is made to the Director no less than sixty days before the expiration of this permit and the party shows good cause for any such extension.

The Director of the Ohio Environmental Protection Agency, or his authorized representatives, may enter upon the premises of the above named applicant during construction and operation at any reasonable time for the purpose of making inspections, conducting tests, examining records or reports pertaining to the construction, modification or installation of the above described source of environmental pollutants.

The proposed source shall be constructed in strict accordance with the plans and application submitted for this permit to the Director of the Ohio Environmental Protection Agency. There may be no deviation from the approved plans without the express, written approval of the agency. Any deviations from the approved plans or the above conditions may lead to such sanctions and penalties as provided under Ohio law. Approval of these plans does not constitute an assurance that the proposed facilities will operate in compliance with all Ohio laws and regulations. Additional facilities shall be installed upon orders of the Ohio Environmental Protection Agency if the proposed sources are inadequate or cannot meet applicable standards.

The specified permit fee must be remitted within 15 days of the effective date of this permit to install.

This permit shall apply only to the source(s) shown on the application approved by the Ohio Environmental Protection Agency.

The source(s) described in this Permit to Install are subject to all applicable provisions of the New Source Performance Standards as promulgated by the United States Environmental Protection Agency, 40 C.F.R. Part 60, and as delegated to the Ohio Environmental Protection Agency and is federally enforceable.

Pursuant to the above paragraph, the source owner/operator is hereby advised of the requirement to report the following at the appropriate times:

1. Date construction to begin
2. Anticipated start-up date, not more than 60 days or less than 30 days prior to such date
3. Actual start-up date within 15 days after such date
4. Date of performance testing

Reports are to be sent to:
