Dear Sir:

Enclosed please find an Ohio EPA Permit to Install which will allow you to install the described source(s) in a manner indicated in the permit. Because this permit contains several conditions and restrictions I urge you to read it carefully.

You are hereby notified that this action by the Director is final and may be appealed to the Ohio Environmental Board of Review pursuant to Chapter 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. It must be filed with the Environmental Board of Review within thirty (30) days after notice of the Director's action. A copy of the appeal must be served on the Director of the Ohio Environmental Protection Agency and the Environmental Law Division of the Office of the Attorney General within three (3) days of filing with the Board. An appeal may be filed with the Environmental Board of Review at the following address:

Environmental Board of Review  
250 East Town Street, Room 101  
Columbus, Ohio 43215

Very truly yours,

Thomas G. Rigo, Manager

Name of Facility: CONSUN MOBIL (FREE OIL CO)

Person to Contact: JIM PATNEAU

Address: P.O. BOX 1199  
MEDINA, OHIO 44258

Location of proposed source(s): 110 AKRON RD  
WADSWORTH, OHIO

Description of proposed source(s): GASOLINE DISPENSING FACILITY.

Date of Issuance: OCTOBER 1, 1986

Effective Date: OCTOBER 1, 1986

The above named entity is hereby granted a permit to install for the above described source(s) pursuant to Chapter 3745-31 of the Ohio Administrative Code. Issuance of this permit does not constitute expressed or implied approval or agreement that, if constructed or modified in accordance with the plans included in the application, the above described source(s) of environmental pollutants will operate in compliance with applicable State and Federal laws and regulations, and does not constitute expressed or implied assurance that if constructed or modified in accordance with those plans and specifications, the above described source(s) of pollutants will be granted the necessary permits to operate (air) or NPDES permits as applicable.

This permit is granted subject to the conditions attached hereto.

APPLICATION NO 16-460  
PAGE 2  
OCTOBER 1, 1986

Substantial construction for installation must take place within eighteen months of the effective date of this permit. This deadline may be extended by up to twelve months, if application is made to the Director no less than sixty days before the expiration of this permit and the party shows good cause for any such extension.

The Director of the Ohio Environmental Protection Agency, or his authorized representatives, may enter upon the premises of the above named applicant during construction and operation at any reasonable time for the purpose of making inspections, conducting tests, examining records or reports pertaining to the construction, modification or installation of the above described source of environmental pollutants.

If the construction of the proposed source has already begun or has been completed prior to the date the Director of the Ohio Environmental Protection Agency approves the permit application and plans, the approval does not constitute expressed or implied assurance that the proposed facility has been constructed in accordance with the approved plans. The action of beginning and/or completing construction prior to obtaining the Director's approval constitutes a violation of OAC Rule 3745-31-02. Furthermore, issuance of the Permit to Install does not constitute an assurance that the proposed source will operate in compliance with all Ohio laws and regulations. Approval of the plans in any case is not to be construed as an approval of the facility as constructed and/or completed. Moreover, issuance of the Permit to Install is not to be construed as a waiver of any rights that the Ohio Environmental Protection Agency (or other persons) may have against the applicant for starting construction prior to the effective date of the permit. Additional facilities shall be installed upon orders of the Ohio Environmental Protection Agency if the proposed facilities prove to be inadequate or cannot meet applicable standards.

The specified permit fee must be remitted within 15 days of the effective date of this permit to install.

This permit shall apply only to the source(s) shown on the application approved by the Ohio Environmental Protection Agency.

This permit to install is applicable only to the air contaminant sources listed below and does not include the installation of wastewater disposal systems or solid waste disposal facilities. Separate application must be made to the Director for the installation of any such sources.

The air contaminant sources listed below comprise the Permit to Install for this ConSun Mobil (Free Oil Company) GDF located in Medina County.

Emissions from the sources shall not exceed the limits specified below:

<u>OEPA Source No.</u>	<u>Source and Identification</u>	<u>BAT Determination</u>	<u>Applicable OAC Rule</u>	<u>Annual Emissions (T/YR)</u>
G001	Gasoline Dispensing Facility	Balanced Submerged Filling	3745-21-09 (R)	N/A

SUMMARY  
TOTAL NEW SOURCE EMISSIONS

<u>Pollutant</u>	<u>Tons/Year</u>
Volatile Organic Compounds	3.9

As specified in OAC 3745-31-05, all new sources must at a minimum, employ Best Available Technology. The following terms and conditions fulfill these requirements and any applicable federal regulations.

All gasoline storage tanks shall be equipped with submerged fill pipes. Gasoline vapors displaced during the transfer of gasoline to the storage tanks shall be processed by means of a single point vapor balance system.
