

Facility ID: 1318227345 Issuance type: Final State Permit To Operate

This version of facility specific terms and conditions was converted from a database format to an HTML file during an upgrade of the Ohio EPA, Division of Air Pollution Control's permitting software. Every attempt has been made to convert the terms and conditions to look and substantively conform to the permit issued or being drafted in STARS. However, the format of the terms may vary slightly from the original. In addition, although it is not expected, there is a slight possibility that a term and condition may have been inadvertently "left out" of this reproduction during the conversion process. Therefore, if this version is to be used as a starting point in drafting a new version of a permit, it is imperative that the entire set of terms and conditions be reviewed to ensure they substantively mimic the issued permit. The official version of any permit issued final by Ohio EPA is kept in the Agency's Legal section. The Legal section may be contacted at (614) 644-3037.

In addition to the terms and conditions, hyperlinks have been inserted into the document so you may more readily access the section of the document you wish to review.

Finally, the term language under "Part II" and before "A. Applicable Emissions Limitations..." has been added to aid in document conversion, and was not part of the original issued permit.

\*\*\*THIS IS NOT AN OFFICIAL VERSION OF THE PERMIT. SEE PAGE 1 FOR ADDITIONAL INFORMATION\*\*\*

## Part II - Special Terms and Conditions

This permit document constitutes a permit-to-install issued in accordance with ORC 3704.03(F) and a permit-to-operate issued in accordance with ORC 3704.03(G).

1. For the purpose of a permit-to-install document, the emissions unit terms and conditions identified below are federally enforceable with the exception of those listed below which are enforceable under state law only.
  - (a) None.
2. For the purpose of a permit-to-operate document, the emissions unit terms and conditions identified below are enforceable under state law only with the exception of those listed below which are federally enforceable.
  - (a) None.

### A. Applicable Emissions Limitations and/or Control Requirements

1. The specific operation(s), property, and/or equipment which constitute this emissions unit are listed in the following table along with the applicable rules and/or requirements and with the applicable emissions limitations and/or control measures. Emissions from this unit shall not exceed the listed limitations, and the listed control measures shall be employed. Additional applicable emissions limitations and/or control measures (if any) may be specified in narrative form following the table.

<u>Operations, Property, and/or Equipment</u>	<u>Applicable Rules/Requirements</u>	<u>Applicable Emissions Limitations/Control Measures</u>
Binks spray booth, 16'x20'x13.5', air assisted electrostatic paint spray for coating miscellaneous metal parts.	OAC Rule 3745-21-09(U)(1)(d)	The VOC content of coatings shall be limited to 3.5 pounds of VOC per gallon of coating, excluding water and exempt solvents.

### 2. Additional Terms and Conditions

- (a) None

### B. Operational Restrictions

1. Coatings employed in this emissions unit shall be dried at a temperature not exceeding 200 degrees Fahrenheit.

### C. Monitoring and/or Record Keeping Requirements

1. The permittee shall collect and record the following information each month for the line:
  - The name and identification number of each coating, as applied.
  - The mass of VOC per gallon (excluding water and exempt solvents) of each coating, as applied.

### D. Reporting Requirements

1. The permittee shall notify the Cleveland Bureau of Air Pollution Control of any monthly record showing the use of non-complying coatings within thirty days following the end of the calendar month in which the exceedance occurred.

### E. Testing Requirements

1. Compliance with the VOC content requirement for coatings shall be determined using USEPA Method 24.

### F. Miscellaneous Requirements

1. None
