The Ohio EPA has received a request for a modification for the Ohio EPA Permit to Install referenced above.

The Permit to Install issued to **Ohio Plastics Company, Permit to Install No. 06-5329** is modified in the following manner:

Terms and Conditions on page 5 of Permit to Install issued on **April 1, 1998**.

The reason for the modification is: **to modify the Permit Allowable Mass emissions and/or Control/Usage Requirements for R005, of PTI No. 06-5329, issued April 1, 1998.**

The above named entity is hereby granted a modification to the permit to install described above pursuant to Chapter 3745-31 of the Ohio Administrative Code. Issuance of this modification does not constitute expressed or implied approval or agreement that, if constructed or modified in accordance with the plans included in the application, the above described source(s) of environmental pollutants will operate in compliance with applicable State and Federal laws and regulations, and does not constitute expressed or implied assurance that if constructed or modified in accordance with those plans included in the application, the above described source(s) of pollutants will be granted the necessary operating permits.
