Dear Mr. Lombardo:

In regard to your letter of August 7th, 1979 as notification for start of construction Wheelersburg Coal Terminal Permit to Install 07-031, please be informed that PTI 07-031 was issued 7-24-78 to Elder Development Co. of Ashland, Kentucky.

PTI 07-026 for air and PTI 06-327 for wastewater were issued 9-26-77 and 9-20-77 to Kentucky-Ohio Transportation Co. The location for the KOTC permit was described on the application as one mile south of the location of the Elder Development Co. permit.

Please contact us immediately regarding this matter.

Sincerely,

Frank G. Phillips
Air Division Engineer
