### ***SPECIAL TERMS & CONDITIONS***

1. The following rules of the Ohio Administrative Code establish the applicable emission limitations and/or control requirements of this source:

3745-17-07  
3745-17-08

(This condition in no way limits the applicability of other requirements of the Ohio Administrative Code to this source.)

2. Control of Fugitive Dust from Plant Roadways and Parking Areas

The roadways and parking areas shall be treated with water or any other dust suppressant in order to minimize or eliminate at all times visible emissions of fugitive dust generated by vehicular traffic. Frequency of application shall be as needed. This term and conditions shall be waived during wet conditions when there is sufficient moisture to prevent visible emissions of fugitive dust.

Any material carried off of the source owner's property and deposited onto the city streets by the vehicular traffic or by erosion by water, etc., shall be promptly removed and deposited of properly in such manner so as to minimize or prevent resuspension.

A maximum speed limit of five (5) miles per hour shall be posted and enforced on the property.

Open bodied vehicles transporting materials likely to become airborne shall be covered at all times.

3. Visible Emission Limitations for Roadways and Parking Areas

There shall be no visible particulate emissions from any paved roadway or parking area except for a period of time not to exceed six minutes during any sixty-minute observation period.

There shall be no visible particulate emission from any unpaved road or parking area except for a period of time not to exceed thirteen minutes during any sixty-minute observation period.

4. Paved plant roadways and parking lots will be swept or flushed as often as necessary to minimize or eliminate fugitive dust emissions.
5. Records will be kept at Northstar Asphalt Inc. of when plant roadways and parking lots were swept, flushed or treated. These records will be made available for inspection by a member of this agency during regular working hours. These records shall be kept in a bound log book.
