

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.

List of Active Operators and Valid Certificates

The following is a list of certified water and wastewater operators who Ohio EPA has listed as having an active certificate. The list is current as of the date indicated above. THIS LIST IS NOT THE OFFICIAL LIST OF OPERATORS IN OHIO WITH A VALID CERTIFICATE. To determine if an operator has a valid certificate you must contact the Operator Certification Unit at 614-644-2752. Operators are listed by the county in which they reside with the counties in alphabetical order. Those operators with no county of residence listed in our database appear at the beginning of the list. Operators with no county of residence are listed by their city of residence with the cities in alphabetical order.

To search the list in the PDF format use the following steps:

1. Click on the "Binocular" icon.
2. Enter the word or phrase you want to search on in the appropriate box.
3. Click the "Search" button. The search may take a few minutes because you are searching approximately 10,000 records.
