Ladies and Gentlemen:

Transmitted herewith is one copy of the final Management Plan Approval for land application of treated waste water from Hickory Acres Campground to agricultural fields in Williams County.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director’s action. The appeal must be accompanied by a filing fee of $70.00, made payable to “Ohio Treasurer Kevin Boyce,” which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General’s Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Ladies and Gentlemen:

The Ohio Environmental Protection Agency has reviewed the land application
management plan submitted pursuant to Chapter 6111 of the Ohio Revised Code. The
plan is approved subject to the condition of compliance with all applicable laws, rules,
regulations and all the conditions below and in Part I and/or Part II of this permit.

The applicant is required to submit a revised land application management plan
application if the Director of the Ohio EPA deems it necessary.

The director may add, delete, or change any conditions to a land application management
plan permit to protect human health or the environment.

This approval is for the land application of treated waste water to agricultural fields in
Williams County. All other beneficial uses must be separately approved by the Ohio
EPA. Only treated waste water from Hickory Acres Campground is approved for
beneficial use under this permit.

The director of the Ohio Environmental Protection Agency, or his authorized
representative(s), may enter upon the premises of the site(s), including the generating
facility, authorized for this plan approval for land application of treated waste water at
any reasonable time for the purpose of making inspections, conducting tests, examining
records or reports pertaining to the installation, modification, or operation of the land
application system.
Issuance of this permit does not relieve you of the duty of complying with all applicable federal, state, and local laws, ordinances, and regulations.

This permit shall expire at midnight on the expiration date shown above. In order to receive authorization to continue to land apply beyond the date of expiration, you shall submit such information and forms as are required by the Ohio EPA no later than 180 days prior to the above date of expiration.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director’s action. The appeal must be accompanied by a filing fee of $70.00, payable to "Ohio Treasurer Kevin Boyce," which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General’s Office, Environmental Enforcement Section. Part II, LAND APPLICATION REQUIREMENTS

A) Any unauthorized discharges to waters of the state must be reported to Ohio EPA (toll free) by calling 1-800-282-9378 within 2 hours of discovery. The director shall be notified in writing within seven days of any person discovering noncompliance with a land application management plan or an NPDES permit.

B) The entity shall perform the proposed land application in strict accordance with the conditions in this permit and with the method of operation outlined in the land application management plan submitted to the Ohio Environmental Protection Agency. Approval of the land application management plan does not constitute assurance that the proposed operation will be in compliance with all Ohio laws and regulations. All application shall be done in compliance with all laws and rules of the Ohio Department of Agriculture, the Public Utilities Commission of Ohio and other rules and regulations.

C) Use of treated waste water by land application on farm land shall be conducted in such a manner that it will not cause a nuisance. Excessive amounts of the treated waste water leaving the application site either by wind or water may be considered a nuisance. Should a nuisance condition develop, or a determination be made by the Ohio EPA that land application at a site is a threat to human health or the environment, the Ohio EPA may order land application to cease at the site and may require remediation of the site.

D) You shall not cause pollution or cause to be placed any beneficially used treated waste water in a location where it causes pollution of any waters of the state, except in accordance with an effective national pollutant discharge elimination system (NPDES) permit.

E) The maximum application rate of the treated waste water shall be 13,000 gallons/acre/day.

F) All application of treated waste water shall be timed to avoid periods of excessive rainfall. Application to frozen or snow-covered ground is prohibited.

G) By January 31 of each year, Hickory Acres Campground shall prepare and submit a report detailing the beneficial use activities involving the treated waste water for the previous calendar year. The annual report shall contain information detailing the amount of treated waste water, in gallons, provided for beneficial use in the previous calendar year, as well as any copies of the results of pollutant analysis that has been completed for the waste water during the previous calendar year. Copies of the report shall be submitted to the Ohio EPA Division of Surface Water Central Office and the Division of Surface Water Northwest District Office.
H) The following records shall be maintained by Hickory Acres Campground for a minimum of 5 years and be made available to the Ohio EPA upon request:
   a) The name, address, and telephone number of the generator of the treated waste water
   b) A description of the process, that treats the waste water.
   c) Records of the annual volume of treated waste water that is designated for beneficial use.
   d) All laboratory reports of all characterizations of the waste water and treated waste water.
   e) Records of the land application of the treated waste water, and the volume of treated waste water applied to the farm fields of the owner or any other approved recipient.

I) The following annual certification statement shall be printed out and signed beginning one year after the effective date of this approval and annually thereafter:

"I certify, under penalty of law, that the information that will be used to determine compliance with the requirements contained in Chapters 3734. and 6111. of the Ohio Revised Code, and all rules thereunder, for the period beginning (insert date of last certification statement) and ending (insert current certification statement date) was prepared under my direction and supervision in accordance with a system designed to ensure that qualified personnel properly gather and evaluate this information. I am aware that there are significant penalties for false certification including the possibility of fine and imprisonment."

For the first certification statement, insert the effective date of this approval as the beginning date for the certified period of time. The certification statement shall be signed by one of the following persons: In the case of a corporation, by a principal executive officer of at least the level of vice president or the principal executive officer's duly authorized representative, if such representative is responsible for the overall operation of the facility. The signature shall constitute personal affirmation that all statements or assertions of fact in the records are true and complete and comply fully with applicable state requirements and shall subject the signatory to liability under section 2921.13 of the Ohio Revised Code.
