

Existing CAM language in TV permit applications (emissions unit level):

Compliance Monitoring Equipment/Enhanced Monitoring

Are there any compliance monitoring equipment activities or enhanced monitoring required by section 114(a)(3) of the Act associated with this emissions unit?

Yes No

Please describe each one:

Will this emissions unit comply on a timely basis with any applicable enhanced monitoring and compliance certification requirements of the Act?

Yes No

New proposed language:

Compliance Assurance Monitoring (CAM)/Enhanced Monitoring

Is this emissions unit subject to CAM requirements as specified in 40 CFR Part 64?

Yes No

Please attach an acceptable CAM plan and Quality Improvement Plan, if applicable, for each Pollutant Specific Emissions Unit (PSEU). Note that the term "PSEU" means an emissions unit considered separately with respect to each regulated pollutant.

Will this emissions unit comply with any applicable CAM requirements, enhanced monitoring and compliance certification requirements of the Act?

Yes No

(notice we remove the current text box and we will add "CAM PLAN" as an attachment type in the attachment pick-list; the Air Services QA check will look for this attachment type if "Yes" is selected for whether CAM)
