**PUBLIC NOTICE  
NOTICE OF RECEIPT OF 401 APPLICATION AND PUBLIC HEARING**

Public notice is hereby given that the Ohio Environmental Protection Agency (Ohio EPA) Division of Surface Water (DSW) has received an application for, and has begun to consider whether to issue or deny, a Clean Water Act Section 401 certification to extend 7 existing Letter of Permission authorizations ( open lake disposal of dredged material, nearshore disposal of dredged sand, filling for wetland construction, filling for wildlife enhancements, construction of crib docks less than 50 foot in length, construction and maintenance of boat ramps less than 1,200 square feet, and placement of 2,000 cubic yards of sand to maintain public bathing beaches. The application was submitted by U. S. Army Corps of Engineers, Buffalo District, 1776 Niagara Street, Buffalo, NY 14207. The 401 water quality certification, if authorized would allow the COE to issue Letters of Permission for proposed projects located in multiple section 10 and 404 waterways within the Lake Erie watershed for a period of 5 years. The Buffalo Corps of Engineers' Public Notice Number for this application is (B)2003-00573(0).The Ohio EPA ID Number for this project is 032899.

The discharges from the activity, if approved, would result in degradation to, or lowering of, the water quality of Lake Erie tributaries and the Lake Erie shoreline. The review of the application will be conducted, and a decision whether to grant or deny the application will be made, in accordance with Chapters 3745-1 and 3745-32 of the Ohio Administrative Code (OAC). In accordance with OAC 3745-1-05, an antidegradation review of the application will be conducted before deciding whether to allow a lowering of the water quality. Other alternatives resulting in lesser or no degradation or lowering of water quality, will be considered by Ohio EPA during the review process.

No exclusions or waivers, as outlined by Paragraph 3745-1-05 (D) of the Antidegradation Rule (effective as of May 1, 1998), apply or may be granted by the Director of Ohio EPA.

Beginning March 28, 2003, copies of the application for the certification and technical support information may be inspected at Ohio EPA-DSW, P.O. Box 1049, Columbus, Ohio 43216-1049 by first calling (614) 644-2001. Applications can be made available at Ohio EPA District Offices by calling the same number.

Ohio EPA will hold a public information session and public hearing relative to issues of lower water quality on May 13, 2003, at 7 p.m., in the Lorain Southview High School Auditorium, 2270 E. 42<sup>nd</sup> Street, Lorain, Ohio. The public hearing will end when all interested parties have had an opportunity to provide testimony related to the projects.

All interested persons are entitled to attend or be represented and give written or oral comments on the proposed project and all persons who do so may, at the discretion of the presiding officer, be questioned by others present. The purpose of the hearing is to obtain additional information that will be considered by the Director of Ohio EPA prior to any further action on the application. Written comments must be received by the Ohio EPA-DSW, Attention: Permits Processing Unit, P.O. Box 1049, Columbus, Ohio, 43216-1049 by the close of business on May 20, 2003. Comments received after this date may not be considered as part of the official record of the hearing.

Persons wishing to be on Ohio EPA's interested parties mailing list for this project, or wish to submit comments for Ohio EPA's consideration in reviewing the application should do so in writing to Ohio EPA-DSW, Attention: Permits Processing Unit, P.O. Box 1049, Columbus, Ohio 43216-1049 by the close of business on May 20, 2003.

**PUBLIC NOTICE  
NOTICE OF RECEIPT OF APPLICATION  
ANTIDEGRADATION**

Public notice is hereby given that the Ohio Environmental Protection Agency (Ohio EPA)-Division of Surface Water (DSW) has received an application for the initial issuance of a National Pollutant Discharge Elimination System (NPDES) permit No. 01Y00101 for the discharge from the proposed Hocking Hills Elementary School disposal system. Public notice is also given that Ohio EPA-DSW has received an application for Permit to Install (PTI) No. 06-7106 for the construction of the proposed disposal system. The NPDES and PTI applications were submitted by Logan Hocking School District, 67 South Walnut Street, Logan, Ohio 43138.

Logan Hocking School Districts preferred wastewater disposal alternative submitted for approval is proposed to treat 1,800 gallons per day of industrial wastewaters associated with the production of drinking water. The disposal system is proposed to be located at 19199 State Route 664 South, Laurel Township, Hocking County, Ohio. Treated wastewaters are proposed to be discharged at the same location. The proposed discharges are to an unnamed tributary of Queer Creek.

Other wastewater disposal alternatives resulting in lesser or no degradation or lowering of water quality will be considered by Ohio EPA.

The discharges from this facility, if approved, would result in degradation to, or lowering of, the water quality of an unnamed tributary of Queer Creek and subsequently Queer Creek and Salt Creek. However, the chemical-specific water quality criteria developed to protect aquatic life and human health, set forth in OAC 3745-1, will not be exceeded. In accordance with OAC 3745-1-05, an antidegradation review of the application will be conducted before deciding whether to allow a lowering of the water quality.

The contents of the above stated applications indicate no exclusions or waivers, as outlined by section 3745-1-05 (D) of the antidegradation rule (effective as of October 1, 1996), apply or may be granted by the Director of Ohio EPA.

Copies of the pending NPDES and PTI applications are available for review at Ohio EPA's Southeast District Office, 2195 Front Street, Logan, Ohio, 43138 (740) 385-8501.

Persons wishing to 1) be on the Ohio EPA's interested parties mailing list for this project, or 2) submit comments for Ohio EPA's consideration in reviewing the application, or 3) request a public hearing must do so in writing to Ohio EPA's Division of Surface Water, Attention: Permits Processing Unit, P.O. Box 1049, Columbus, Ohio 43216, within thirty days of the date of this public notice. Comments received after this date may not be considered as part of the official record.

**PUBLIC NOTICE  
OHIO EPA RECEIVES NEW HAZARDOUS WASTE CLOSURE PLAN**

On March 13, 2003, Ohio EPA received a new hazardous waste closure plan from Walker Williams Lumber Company concerning a container storage unit located at 912 Salt Springs Road, Youngstown, Ohio 44509. The EPA Identification Number for this facility is OHD074548694.

**Why is Walker Williams Lumber Company submitting this Closure Plan?**

At the request of Ohio EPA, Walker Williams submitted this closure plan. It identifies the subject area as a large concrete drip pad. The plan describes in detail all necessary Cessation of Regulated Operations activities, including the removal of all waste materials and chemicals. It also describes previous subsurface investigations including environmental site assessment, soil sampling and groundwater sampling. Soil excavation and disposal, and the transportation of contaminated soil are outlined in the plan. A section is dedicated to quality assurance and control assurance outlining a chain of custody procedures, and laboratory and field documentation procedures. Finally, the closure plan describes the preparation of a site-specific health and safety plan to be kept at the facility for use by staff during closure activities; a schedule of closure activities; closure certification preparation and a closure cost summary.

**When and how do I submit written comments about the Closure Plan?**

You can submit written comments anytime between March 21, 2003 and April 19, 2003. **PUBLIC NOTICE  
PROPOSED CONSENT ORDER**

The Ohio Environmental Protection Agency (EPA) and William A. Lawrence, Lucille A. Lawrence, the Lawrence Family Trust, the Sunny Family Trust II, the Sunny Family LTD Partnership I and Park Properties One dba Glenridge Mobile Home Park have entered into a proposed Consent Order to resolve Glenridge Mobile Home Park's noncompliance with Ohio's Water Pollution Control Regulations. The proposed Order addresses wastewater effluent violations at the Glenridge Mobile Home Park, located at 10355 Lincolnway East, Orrville, Wayne County. The proposed Consent Order would require the Glenridge Mobile Home Park to properly operate and maintain its wastewater treatment plant and public water system and to comply with O.R.C. Chapters 6111 and the rules adopted thereunder. The proposed Consent Order will also require Glenridge Mobile Home Park to submit an application and detail plans for treatment plant upgrades and sewerage system improvements, install upgrades to the collection system and wastewater treatment plant, and meet compliance with its final effluent limitations.

To resolve Ohio EPA's claims for violations cited in the complaint, the proposed Consent Order requires William A. Lawrence, Lucille A. Lawrence, the Lawrence Family Trust, the Sunny Family Trust II, the Sunny Family LTD Partnership I and Park Properties One to pay a civil penalty settlement in the amount of \$10,000 for violations of 6111. The Consent Order requires the payment of the civil penalty within 45 days of its final entry date.

Copies of the Consent Order can be obtained from the Ohio EPA, Northeast District Office, by calling the Division of Surface Water Compliance and Enforcement Unit Supervisor at (216) 963-1200 or by writing to:

Compliance and Enforcement Unit Supervisor, DSW  
Ohio EPA, Northeast District Office  
2110 E. Aurora Road  
Twinsburg, Ohio 44087

Written comments should be submitted to Ohio EPA, Northeast District Office at the above address. Written comments should be submitted on or before May 5, 2003.

The final approval and entry of the proposed Consent Order will not occur until after the thirty (30) day public comment period has expired. The thirty day period commences on April 4, 2003. Both the State of Ohio and William A. Lawrence, Lucille A. Lawrence, the Lawrence Family Trust, the Sunny Family Trust II, the Sunny Family LTD Partnership I and Park Properties One reserve the right to withdraw or alter the proposed Consent Order based on comments received during the public comment period.

Public Notice No. 03-03-081  
Date of Issue of Public Notice: March 28, 2003

Name and Address of Applicant; Ohio Department of Transportation D-1, 1885 North McCullough Street, PO Box 40, Lima, OH, 45802-0040

Name and Address of Facility Where Discharge Occurs: Wyandot/Crawford Rest Area US Route 30, US Route 30 East, Upper Sandusky, OH, 43351

Receiving Water: Broken Sword Creek

Public notice is hereby given that Ohio Environmental Protection Agency (Ohio EPA)-Division of Surface Water (DSW) has issued a draft permit-to-install (PTI) for the construction of the wastewater treatment works/disposal system for the above referenced project. Ohio EPA has made a determination that the wastewater discharge from this proposed facility would result in degradation to or lowering of the water quality of Broken Sword Creek and subsequently the Sandusky River. After considering the technical, economic, and social aspects of this project, the Director of the Ohio EPA has decided to make the preliminary determination to allow this degradation. However, the chemical-specific water quality standards developed to protect aquatic life and human health, set forth in Ohio Administrative Code (OAC) 3745-1, will not be exceeded.

In accordance with OAC 3745-1-05, Ohio EPA will provide an opportunity for public comment concerning this project. Comments received shall be considered by the Director before the permit is issued as final. Any person may submit written comments on the draft permit and administrative record and may request a public hearing. A request for public hearing shall be in writing and shall state the nature of the issues to be raised. In appropriate cases, including cases where there is significant public interest, the director may hold a public hearing on a draft permit or permits prior to final issuance of the permit or permits. Written comments and/or public hearing requests must be received by the Ohio EPA, Division of Surface Water no later than 30 days from the date of this public notice.

Comments and/or public hearing requests should be delivered or mailed to both of the following locations: 1) Ohio Environmental Protection Agency, Division of Surface Water, Permits Processing Unit, 122 South Front Street, P.O. Box 1049, Columbus, Ohio 43216 and 2) Ohio Environmental Protection Agency, Northwest District Office, 347 North Dunbridge Road, PO Box 466, Bowling Green, OH 43402. Comments received after this date may not be considered by the Director before issuing the final permit.

Copies of the draft Permit to Install and technical support information may be reviewed and/or copies made at the Ohio EPA Northwest District Office, 347 North Dunbridge Road, Bowling Green, OH, 43402, by first calling (419)-352-8461 to make an appointment.
