PUBLIC NOTICE
OHIO ENVIRONMENTAL PROTECTION AGENCY
URBAN SETTING DESIGNATION FOR
Shoreway Commerce Park, Area IIA, Area USD, Lorain, Ohio

Public notice is hereby given that the Ohio Environmental Protection Agency (EPA) has received, on May 7, 2010, a request to approve an Urban Setting Designation for approximately 3.03 acres of land located at the northeast corner of the intersection of St. Clair Avenue and East 79th Street, in the City of Cleveland, Cuyahoga County, Ohio. This request was submitted by Mr. John T. Garvey, Certified Professional, of Partners Environmental, on behalf of the Shoreway Logistics, LLC (Volunteer).

Pursuant to Ohio Administrative Code 3745-300-10(D), Ohio's Voluntary Action Program (VAP) allows for the voluntary clean up of contaminated property in Ohio without the risk of state civil liability. Under VAP, ground water cleanup is required where contaminated ground water poses risks to the community or environment.

A USD may be requested for properties participating in the VAP when there is no current or anticipated future use of ground water by local residents for drinking, showering, bathing or cooking. In these areas, an approved USD would lower the cost of cleanup and promote economic redevelopment while still protecting public health and safety.

The Ohio EPA director may approve the request for a USD based on a demonstration by the certified professional that the USD requirements are met and an evaluation of existing or future uses of ground water in the area have been assessed.

Comments regarding this request for USD must be received by the close of business on June 30, 2010 (30 days). Please direct your comments by mail to Nancy Zikmanis, Ohio EPA - DERR - NEDO, 2110 East Aurora Road, Twinsburg, Ohio or by e-mail at nancy.zikmanis@epa.state.oh.us. The USD application can be viewed by contacting Nancy Zikmanis, VAP reviewer, at 330-963-1160 OR Nicole Patella, Northeast District Office Records Manager at 330-963-1129.
